

Early Childhood Teacher

Discovery Gateway Children's Museum inspires children of all ages to imagine, discover, and connect with their world to make a difference. We accomplish this through open classroom experiences, interactive play, and welcoming community partners/guests to special presentations designed to inspire our core audiences (ages 6 months to 10 years.)

We want to pay you to play!

- Develop, implement, and facilitate daily workshop activities
- Maintain a safe, nurturing, fun environment where children and caregivers can learn and play together
- Communicate the educational component and value of all workshops/activities as they relate to early childhood education
- Collaborate with children, families, teachers, community contacts and corporate partners, and support staff to cultivate positive relationships

We want to pay you to report!

- Submit detailed program plans, including samples, timely
- Update calendar with planned activities
- Document daily programs with accurate attendance, surveys, and evaluations
- Participate in weekly team meetings, and manage early childhood budget
