MEOW-MAZING INTERACTIVE DOLLHOUSE

The **Meow-mazing Interactive Dollhouse** transports children straight into the Gabby's Dollhouse Movie with its new LCD eyes! The LCD eyes deliver hours of play with the press of one of size Paw Bump Magic buttons or the cat nose button. This new cat-tastic technology showcases your child's favorite Gabby cats who bring interaction, games, guided play, and storytelling using songs and sound straight from Gabby's Dollhouse: The Movie. The dollhouse is a true 360-degree play that even features innovative Meow Tech technology that allows children to play with the Meow-mazing Interactive Ears and Meow-mazing Interactive Pandypaws simultaneously to unlock even more animations and sounds. Along with the great technology, this dollhouse comes with a Gabby figure, 10 play pieces, and classic dollhouse favorites like a spiral slide and catavator. And the fun doesn't stop there, for additional play, children can use the new Paw-some Party Story Set to fill the attic and Cakey's Sprinkle Cake-tastic Kitchen, MerCat's Spa-wesome Bathroom, and balconies for added decor and fidget play on the inside and outside windowsills. Don't worry, all your old Gabby figures, deluxe rooms, and balconies fit in this house too!

DANDELION FAIRY GABBY DOLL

Get ready for a magical celebration with the **Dandelion Magic Gabby** doll. This 13-inch doll features beautiful rooted hair and comes with removable accessories like a skirt and fairy headband for true-to-show fashion fun. The real magic begins when you press the button on her chest, activating her light-up wings that glow in seven different colors, including teal, green, blue, and pink. This doll is packed with personality, featuring over 20 songs and sounds from the show that will delight fans. Articulated arms and a moving head allow for expressive posing and more realistic pretend play scenarios. Gabby uses her special dandelion wand to kick off the Dandelion Festival, inspiring kids to create their own festive stories.

RAINBOW LIGHT-UP KITTY FAIRY PLUSH

Bring home the magic of Gabby's Dollhouse and introduce a sprinkle of magic to your child's playtime with the **Rainbow Light-Up Kitty Fairy plush!** This 14-inch Kitty Fairy toy features the magical Kitty Fairy looking flutter-riffic in a colorful rainbow dress with delicate wings, pom pom diddly boppers adorned by her flower crown, and a pretty rainbow dress with a flower that lights up in different colors, providing extra sensory play! With a gentle press of her paw, the center of the flower on her dress illuminates in one of six dazzling colors, creating a meow-mazing ambiance for soothing kids at bedtime or igniting their imaginations at playtime. Each delightfully snugly, squishy stuffed animal lets Gabby's Dollhouse fans act out their own cuddly role play fun and recreate scenes from the show with endless storytelling adventures!

FLUTTER-RIFFIC FAIRY RINGS

Step into Gabby's magical world with the 2-Pack **Flutter-riffic Fairy Rings** from Gabby's Dollhouse Fairylandia! Kids can slip their favorite character's ring onto their finger like Baby Box & MerCat or Kitty Fairy & Pandi Paws and wiggle it up and down for fluttering fairy fun, bringing the magic of Fairylandia to life. (sold separately). Each ring includes a dandelion stand that doubles as easy storage and a charming display piece for any bedroom. Lift the lever on the stand to make the character's wings flutter and come to life on display. Collect all four fairy rings to complete your enchanting Fairylandia collection. Whether for birthdays, Christmas, or Easter, this whimsical piece is a cat-tastic choice for toddler toys, sparking imaginative play.

FLUTTER MAGIC FAIRY PLAYSET

Bring the wonder of Fairylandia home with the Gabby's Dollhouse **Flutter Magic Fairy Playset.** This set comes with an exclusive 3-inch Gabby figure in her fairy outfit. Kids can press the hot pink button and watch as fairies fly around the tree, ready for adventure. Lift the flower on top to release the fairies into the room, creating a truly interactive experience. The right diddlybopper directs the fairies into the house and makes the pinwheel spin, adding another layer of dynamic action. Kids can use the included activity sheet to color and cut out more fairies, expanding the play possibilities.
